Education

University of Houston – B.S. in **Computer Science** | GPA: **3.85/4.00**

Expected Dec 2026

Skills

Languages: C#, TypeScript, JavaScript, SQL, HTML, CSS, C++, Python, Lua

Technologies: React, Node.js, REST API, MySQL, Azure, Docker, .NET Core, Git

Projects

Daily Planner

Nov 2024 – Present

- Developed a .NET, C# desktop application using the WPF framework with MVVM structuring
- Allowed multi-device sync using a RESTful API, created using ASP.NET Core with JSON requests
- Containerized a MySQL database using Docker and hosted it on Azure, reducing cloud costs

Portfolio Website

Jan 2025 – Present

- Portfolio website created using the React and Next.js JavaScript libraries to showcase projects
- Utilized TypeScript and CSS to stylize and animate HTML components, allowing smooth UI
- Deployed the site on Azure, allowing HTTP and HTTPS traffic through Azure Cloud Services

Uhtceare

Aug 2016 – May 2021

- Developed a game on Roblox using Lua, which gained over 2,000 unique players
- Worked in a team of 5 developers over the span of 4 years, utilizing Trello to collaborate & organize
- Met weekly productivity quota, allowing production to be on-time with minimal delays

Activities & Leadership

Tutor, CougarCS

Sept 2024 – Present

- Collaborated with other tutors tri-weekly to host workshops for challenging exams
- Tutored students one-on-one in advanced courses, such as Data Structures & Algorithms
- Designed personalized study plans and reviews, improving student performance on exams

Program Director, KleinHacks

May 2020 – Feb 2021

- Organized and oversaw a high-school hackathon for the Klein ISD district, with over 200 participants
- Managed event logistics such as sponsorship, food, and sleeping arrangements for a 24 hour competition
- Collaborated with a team of 25 people using Microsoft Teams and Trello to organize tasks

Work Experience

Shift Supervisor, Starbucks – Spring, TX

May 2022 – Feb 2025

- Cultivated a collaborative team environment, ensuring smooth communication during shifts
- Worked with management to bring local events to the store, harboring community
- Identified areas for improvement and implemented strategies to boost efficiency and morale

Barista, Starbucks – Spring, TX

Oct 2021 – May 2022

- Communicated effectively during shifts, streamlining workflow and business during peak hours
- Received and applied feedback from performance reviews, fostering growth into the role
- Thrived in a high-volume, fast-paced environment, requiring quick thinking and problem solving
